Call for Poster Submissions

The HIMSS Nursing Informatics Community is pleased to announce the inaugural call for the HIMSS 2011 Nursing Informatics Symposium posters!

We are seeking posters on hot topics that increase awareness and demonstrate the impact of nursing informatics for peer-to-peer knowledge sharing. Topics should focus on practical implications, innovations and current industry trends.

**Posters should be vendor neutral*

Details: Posters will be displayed at the HIMSS Nursing Informatics Community Reception, on February 19, 2011 5:00 – 6:30pm eastern (location to be determined) in Orlando, FL. Presenters will be notified on December 15, 2010 and will receive complimentary registration to the 2011 Nursing Informatics Symposium and the Community Reception. Poster presenters are also required to submit a Topic profile which will be published in the HIMSS Nursing Informatics Knowledge Repository at www.himss.org/ni
